EndNote Web

www.myendnoteweb.com

Why EndNote Web ?

- It's free, it's online
- It's a very handy tool for organizing/writing bibliography
- You have a direct access to the PDFs (for subscribers)
- You can share your database with others
- You don' t have to write the refs when writing papers/thesis/reports/projects

How to use EndNote Web ?

- Just an email address is needed
- You log in
- Install the plug in for Word (win or mac)
- And that's it, ready to use!
